2. Sponsor

The Contest is sponsored and administered by:

GN Hearing A/S (SteelSeries)

Havneholmen 8, 1st Floor
DK-2450 Copenhagen SV, Denmark
(the "Sponsor")

3. Contest Period

The **Contest Period** will be determined based on the number of participants in the tournament. The tournament will follow a **single-elimination** format, and the duration will depend on the total number of participants, as follows:

- **4 participants:** The tournament will take **2 days**.
- **8 participants:** The tournament will take **3 days**.
- **16 participants:** The tournament will take **5 days**.
- **32 participants:** The tournament will take **6 days**.

- **64 participants:** The tournament will take **7 days**.
- **128 participants:** The tournament will take **8 days**.

For every additional **x*2 participants**, **one extra day** will be added to the duration of the tournament.

The Sponsor will determine the tournament start date and overall schedule based on final registration and will publish the full timetable in the tournament announcement channel and via official communication channels at least **seven (7) days** prior to commencement. Each round will generally be played within a **24-hour window**, and the tournament will continue until the final match is completed. The total duration and number of rounds will depend on the final number of participants and the bracket structure. The Sponsor reserves the right to modify the schedule, start time, or round windows for operational reasons and will notify participants of any material changes.

4. How to Enter and Qualify

Entry into the **3DAT Booster Cup** requires two steps: **qualification** and **affirmative entry**.

Qualification:

Participants may qualify for the tournament in one of the following ways:

- **Discord Server Boost:** By boosting either the SteelSeries or 3D Aim Trainer Discord server. This grants eligibility for the tournament and access to a special booster-only channel.
- **Raffle Entry:** By being selected as a winner through the official raffle system, which is used to fill any remaining spots in the tournament bracket.

Affirmative Entry:

Once qualified, participants must confirm their entry through the following process:

- **Boosters:** Upon receiving access to the booster-only channel, participants must read and accept these Official Rules. By doing so, they confirm their participation in the tournament.
- **Raffle Winners:** Raffle winners will be contacted directly via the official 3D Aim Trainer Discord account “@3daimtrainer aka. “Tadeo” or “@mudxiej_ aka. Mud” Winners must respond to this message and confirm acceptance of these Official Rules. Alternatively, winners may reach out proactively to Tadeo to confirm. Only after this direct confirmation will raffle winners be granted access to participate.

⚠ Important: Any communication not originating from the official “@3daimtrainer aka. “Tadeo” or “@mudxiej_ aka. Mud” account should be disregarded. The Sponsor will never request payment, personal account credentials, or unrelated information as part of the entry process.

By completing these steps, participants explicitly agree to be bound by these Official Rules and are considered officially entered into the **3DAT Booster Cup**.

Each participant may earn one (1) entry through their chosen qualification method (Discord Boost or Raffle). Entry is valid only for the current tournament period; participants must complete the process again for any future tournaments.

5. Winner Selection and Judging Criteria

Winners will be selected based on **performance in the tournament bracket**, with matches played in a **single-elimination** format. The goal is to reward participants for their **match wins** and **overall progression** through the bracket.

Selection Process:

- The tournament will consist of multiple **rounds**, with each round eliminating half of the participants.
- Players will compete in **1v1 matches** in the tournament bracket, and the **winner** of each match will advance to the next round.
- The **number of rounds** and **duration** will depend on the total number of participants. Each round will last **24 hours** (or as specified), and results will be confirmed via screenshots.
- The **final winner** will be the participant who wins their **last match** in the final round of the tournament.

Match Format:

- The tournament is a **single-elimination** format, meaning that once you lose a match, you are eliminated from the tournament.
- **Winning Criteria:** To win a match, participants must have the **highest score** in the assigned game task for the round.
- Each round will consist of a **best-of-one match** (unless otherwise specified), and results will be validated via **screenshot submissions**.

Prize Allocation:

- **1st Place** → **Tier 1 Prize** (Highest value prize)
- **2nd Place** → **Tier 2 Prize**
- **3rd Place** → **Tier 3 Prize**

Tie-breaker:

- In the case of a **tie** in a match, the **player who reached the score first** (based on timestamp logs) will be declared the winner.

Goals and Alignment:

The goal of this tournament is to reward **players' skills in direct competition**. By using the **bracket system**, we ensure that participants are tested against others in a fair, elimination-based

structure. The focus is on **match performance** and **progression through the rounds**, and the **prizes** will reflect each player's success in the tournament.

✅ **All decisions of the Sponsor are final and binding.**
